Girls' Athletic Association

Hang right in there, Kathy!!!

Waiting for her favorite ball.

G.A.A. is one place where girls can get together and have a good time plus learn the skills and "Know-How" that go along with any game. Girls learn to get along better with each other. They also learn one of the most important rules of life itself and that is: We cannot always win so accept defeat with a smile; therefore, you have not lost at all.

Antwerp's F.H.A. under the direction of Mrs. Herne, Home Economics teacher and F.H.A. advisor, has taken on many projects this year and the girls have worked hard to make these projects successful. Some of the girls of this club attended the F.H.A. State Convention at Columbus this year. Also this year the F.H.A. and Home Ec. girls put on a style show which showed some of the skill, talent, and hard work which goes into making some of the outfits the girls modeled. Another project they undertook this year was the day nursery for pre-school children. The girls observed the differences in the children such as different personalities and in general what makes children "tick." F.H.A. and Home Economics is a very intricate part of school life at Antwerp.

Antwerp's Chorus "In Concert"

The 1968-69 school year began to see the development of many things one of which was a high school chorus, something Antwerp had been without close to three years. The chorus went to Delphas, Ohio for contest this year and came back with a "2" rating which is very good. The chorus also performed Sunday, May 10, 1969 at the Music Department's Spring Concert. All of Antwerp can be very proud of this very fine organization.
